FIBARO FGMS-001-ZW501

Triple sensor - Movement / Lighting / Temperature - Wireless - Automatic installation with Z-Wave - Internal antenna - 1 battery CR123A 3.0V

- Fibaro
- Triple sensor: Motion detector, Light sensor, Temperature sensor
- Wireless
- Z-Wave Plus
- Internal antenna
- It includes accelerometer to detect manipulation of the device
- LED indicator to signal movement, temperature level, usage mode and Z-Wave network connectivity
- Power supply 1 battery CR123A 3.0 V
- Automatic installation using service button
