URFOG FPU03ESM400A

URFOG Ajax Ready - Fog generator Modular range - 2 integrated Ajax relays (arming and executing) - Up to 400 m³ without visibility - Very low energy consumption - Leaves no trace after shooting

- URFOG
- Ajax Ready Fog Generator
- Generates 400 m³ of fog with zero visibility in 60"
- 2 Ajax Relays (For arming and for executing) integrated in the machine
- Signal Buzzer
- LED visual signaling
- Output 12VDC 300mA for external peripherals
- Battery Back-up possibility (12VDC 2.0Ah)
- Shooting time adjustable up to 40 s
- Total launching time 1.5 min
- Total launching volume 850 m³
- Green Power technology for low consumption
- White colour
- 390 (H) x 300 (W) x 130 (D) mm
