GJD GJD505

GJD External Laser Detector - Laser technology with curtain-like coverage - Detection range adjustable up to 5 m - High reliability and precision - Power supply 10~35 VDC - Outdoor use

- GJD
- Outdoor Laser Detector
- Laser curtain coating technology
- Adjustable detection range up to 5 x 5 m
- Vertical coverage 90°
- High reliability and precision
- 3 beams IR detector
- Motion detection indicator
- Power supply 10~35 VDC
- Outdoor use
- Degree of protection IP65
