GJD GJD515

GJD External Laser Detector - Long Range Laser Technology - Detection range adjustable up to 500 m - High reliability and precision - 12 VDC / PoE IEEE power supply 802. 3af - Outdoor use

- GJD
- Outdoor Laser Detector
- Laser technology
- Adjustable detection range up to 500 m
- High reliability and precision
- Up to 20 customisable alarm zones
- Power supply 12 VDC or PoE IEEE 802. 3af
- Outdoor use
- Degree of protection IP66
