TP-LINK TL-WA860RE

Wifi Range Extender with AC Passthrough - Frequency 2.4GHz - Supports 802.11 b/g/n - Connections up to 300 Mbps - Power 15dBm - RJ45 10/100Mbps Connector

- TP-LINK
- Wifi Coverage Extender 802.11n in 2.4 GHz
- Compatible with 802.11 b/g/n, allows connections of up to 300 Mbps
- MIMO technology with two internal omnidirectional antennas to provide 360° coverage
- RJ45 10/100Mbps Connector
- 0°C~40°C
