UNI-TREND UT15C

Pencil-type voltage meter with LCD display - AC and DC voltage measurement - Audible warning and visible LED for continuity - Weatherproof IP65 - Continuity test - Null or live wire indicator

- UNI-T
- Pencil-type DC/AC Voltage Meter
- LCD Display
- Wide voltage range with LED indicator up to 690V
- Three-phase AC phase position indication
- Continuity test
- Neutral wire or live wire indicator
- Weatherproof IP65
