UNI-TREND UT18C

Contactless AC/DC voltage detector - LED Display - High and low voltage mode up to 690 V - Audible warning and visible LED - Automatic shutdown - Weatherproof IP65

- UNI-T
- CAT III 690V/ CAT IV 600V voltage and continuity detector
- LED Display
- DC/AC voltage, three-phase voltage, phase sequence, continuity and differential test
- Weatherproof IP65
- RCD test (Operating voltage): 230 V/50 Hz~400 Hz)
- Polarity detection: Positive and Negative
