UNI-TREND UT337A

Carbon Monoxide (CO) Meter - Including electrochemical gas sensor - Configurable alarm with audible signal - Display of maximum recorded value - Sensor self-test

- UNI-T
- Mini hand-held carbon monoxide tester
- Electrochemical gas sensor
- Diffusion sampling method
- Maximum value display lock
- Configurable alarm value
- Audible alarm
- Temperature display
- Sensor self-test
- User calibration
- Low battery indicator
- Automatic shutdown
