UNI-TREND UT501A

Electrical Insulation Resistance Meter - LCD display up to 2000 accounts - AC voltage measurement up to 750V - Automatic shutdown - Ranges 100V/250V/500V/1000V

- UNI-T
- Electrical Equipment Insulation Resistance Tester
- LCD display up to 2000 accounts
- Insulation resistance measurement (?) of voltages 100V/250V/500V/1000V
- AC voltage measuring range 30~750V
- Automatic shutdown
