UNI-TREND UT502A

Electrical Insulation Resistance Meter - LCD display up to 2000 accounts - AC voltage measurement up to 600V - Automatic shutdown - Ranges 500V/1000V/2500V

- UNI-T
- Electrical Equipment Insulation Resistance Tester
- LCD display up to 2000 accounts
- Insulation resistance measurement (?) of voltages 500V/1000V/2500V
- AC voltage measuring range 30~600V
- Automatic shutdown
