X-SECURITY XS-IPB040A-4YSOLARPIR-4G

4G Bullet Camera - 1/3" 4MP progressive CMOS - 2.8mm / WDR Lens - Includes photovoltaic panel for autonomous use - Includes rechargeable lithium battery - Weatherproof IP67

- X-Security
- 1/3" of 4 MP CMOS image sensor, low luminance and high definition image
- Max. outputs. 4 MP (2688 × 1520) to 25/30 fps
- Codec H.265
- Warm light/built-in IR LED
- Light and sound alarm link
- Integrated 4G module
- Built-in PIR sensor
- 8 eMMC memory chip of [%VAR%] GB built-in
- Stand-alone with built-in solar panel and battery
- Anomaly detection
- Supports max. Micro SD card of 256G
- Built-in microphone and speaker
- Protection IP67.
