ZKTECO ZK-BL-852Q38A-LP

Bullet IP camera 2 Mpx LPR - 1/2.8" Sony STAVIS CMOS - OCR function (integrated license plate reading) - 3.35~10.05mm motorised lens - IR LEDs range 50 m | RS485 - Embedded LPR software | ZKBio CVSecurity

- ZKTeco
- IP bullet camera with license plate recognition
- 1/2.8" Sony STAVIS CMOS
- 2 Megapixel (1920x1080)
- [%VAR]mm Motorised, varifocal, lens
- WDR (120 dB)
- 0 Lux
- IR Range 50 m
- Number plate reading up to 20km/h
- Monitoring of inputs and outputs (1 lane only)
- Compression H.265+/H.265/H.264
- RJ-45 10/100 Mbps BaseT
- RS485
- Alarms
- Configurable lists and actions through links
- PoE IEEE802.3at
- Weatherproof IP67

- IR Cut
- Recording and storage of license plates on SD card
- ONVIF Compatible
- Management and monitoring software embedded in the camera
- Compatible with ZKBio CVSecurity project software and ZKTeco AntarView Pro mobile application
