DUEVI DV-KAPTURE-K

Duevi low power consumption outdoor detector - Integrated with Ajax transmitter (built-in) - PIR curtain type and microwave (24 GHz) - Detection range 12 m / Antimasking - Power supply 2 batteries CR2 3.0 V - Weatherproof IP54

- Duevi
- Outdoor curtain detector with low consumption
- Double technology: PIR curtain and microwave
- Anti-masking technology
- Detection: Range 12 m / 7.5°
- Motion detection indicator
- Tamper-resistant opening
- Includes Ajax transmitter for wireless communication with Ajax panels
- Power supply 2 batteries CR2 3.0 V
- Outdoor use
- Degree of protection IP54
